

**CLM Environmental and Toxic Tort Committee  
Publications/Magazine Subcommittee Notes**  
February 20, 2014

As we discussed at the most recent committee conference call, the upcoming deadlines for publication in *Litigation Management Magazine* are March 29 for the Summer issue and June 27 for the Fall issue. Deadlines for the Winter and Spring 2015 issues have not yet been announced.

I ask that each member of the Articles Subcommittee come up with one idea for an article to be published in the Environmental/Toxic Tort practice area by Friday, February 28, 2014. As a reminder, all articles must be original, previously unpublished work and must be co-authored by two parties: One on the client-side of the litigation management business (claims executive, in-house counsel, etc.) and one attorney. The article should be 700 to 1,200 words in length.

Please send your article idea to me at [alkroll@yahoo.com](mailto:alkroll@yahoo.com). Include the authors' names and a brief summary of the proposed article. I will coordinate with the magazine's editors to plan which articles will be published and when.

If you have any questions, please don't hesitate to send me an email.

Thank you,

Aaron Kroll  
Publications/Magazine Subcommittee Chair
