Webinars

We are looking for active co-presenters for our **History of Cannabis Webinar Series**! Spearheaded by subcommittee lead chair Rich Dowd, the Mission Statement is as follows:

“This series is designed to educate insurance agents and brokers on the insurance coverage, the legal and social history of the legal cannabis industry. The speakers will provide an in-depth review of the common coverage contracts and the nuances, warranty language, and policy conditions. Upon completion of the course, participants gain a holistic understanding of the legal cannabis industry, available products, as well as areas that are currently under or uninsured. Participants will learn how legislative changes impact coverage availability and the unique exposures-to-loss cannabis operations face. Participants will also understand coverage procurement, claims practices, unique coverage contract distinctions, and novel coverage contract language.”
