Participants:

Laurey Harris, HuronLegal
Lydia Henderson, Hanover Insurance
Teresa Beck, Lincoln, Gustafson & Cercos, LLP
Jerry Hamilton, Hamilton, Miller & Birthisel LLP
Angela Henderson, Corvel Corp, Committee Co-Chair

Update on Claims College – very well attended, first year graduating attendees, missed an opportunity to host a diversity event.

Webinar subcommittee – Laurey Harris expressed interest in partnering with existing Chair, Kandy Davenport, to develop webinars with diversity topics. Email sent to Kandy in follow-up so she and Laurey can connect.

Annual conference – Teresa suggested utilizing some (or all) elements of her Good Guys program as a featured topic for diversity. Call participants were enthusiastic about the topic so Teresa submitted a proposal to the committee on Friday, September 18, within deadline. We are pending a response as to whether the topic will be approved for the conference.

Participants were asked to provide additional feedback regarding program ideas for FY16.
